

FIND COSTA RICA WITH KIRA!

DIRECTIONS: Where in the world is Costa Rica? Find it on the map and color it in. Next, with an adult, find a new recipe online from another country to try. Write down what makes that recipe sound tasty. Then color that country in too!

"I like tasting new whole grains from other countries. I just discovered couscous and buckwheat noodles. Yum!"

- Kira

Where do you want to travel to and why?
